

PRECISION TOURING

— MOBILE WEIGHING SERVICES —

Precision Touring delivers certified, on-site weighing and compliance services to help caravan, RV, and tow-vehicle owners travel safer and with complete confidence. We come to you with high-accuracy equipment and expert guidance, making the process simple, fast, and stress-free.

WHAT WE DO

Professional mobile weighing and safety services for caravans, camper trailers, motorhomes, tow vehicles, boat trailers, horse floats, race cars, anything up to 4t per axle.

Using Nuweigh 4-pad portable scales, we provide:

- Full caravan & tow-vehicle weight assessments
- Axle, wheel & tow-ball weight measurements
- Load distribution & balance analysis
- Compliance checks against manufacturer limits
- Clear digital reports with tailored recommendations
- Expert advice on safe loading & towing
- Suspension, brake & wheel-bearing inspections & repairs

Our goal is to ensure you travel safe, legal, and compliant, protecting both your investment and your insurance obligations.

WHO WE SUPPORT

- Caravan & camper trailer owners
- Motorhome travellers & grey nomads
- 4WD & towing enthusiasts
- Caravan dealers, clubs & trainers
- Tradies & commercial operators
- Insurance companies
- Boat dealers

Whether it's a big lap, a weekend trip, a new build, or a simple weight check, we make sure your setup is safe and road-ready.

WHY CHOOSE US

- Fully mobile—no weighbridge required
- Certified, high-precision equipment
- Easy-to-understand digital reports
- Friendly, knowledgeable technicians
- Fast, reliable service
- Strong focus on education & customer support
- 25+ years mechanical trade experience

For enquiries or bookings, get in touch, we're here to help.
